Chainsawyer

This class is typically offered in January, July and October

* Classroom and fieldwork experience provide an overview of safe and effective chainsaw operation at FPCC Stewardship Sites and basic maintenance
* Feller I sawyers may fell trees up to 6" DBH when expressly permitted in a site's management schedule
* The Classroom portion and a written exam will certify you as a Chainsaw Safety Assistant
* Feller I position requires a FPCC Resource Management-administered field observation and skills test
* Kevlar boots and other PPE will be provided for the field observation
* MUST HAVE RECORDED AT LEAST 30 HOURS ONLINE AT THE TIME OF REGISTRATION
