

Fall 2020

Calumet Seed Collectors

Restore nature & yourself

Come volunteer to collect and distribute ripe seed in local natural areas. Enjoy nature, relax, learn basic plant identification skills and responsible seed collecting techniques, and help your local forest preserve.

Pre-registration and masks required. Come for one session or all!

All seed collecting will be done at Cook County Forest Preserves sites. For directions, visit the link below.

August 24 □ 12-3 □ Eggers
 27 □ 9-11:30 □ Whistler
 27 □ 12:30-30 □ Kickapoo
